The Spa – Los Gatos is a day spa like no other.

Tastefully decorated to reflect our welcoming and elegant attitude, our spacious, comfortable and warm surroundings will ease you into a healing and stress free environment.

Our level of amenities is unsurpassed. You will be presented with a plush robe, slippers and personal locker upon arrival. The lounge areas are roomy and inviting. While waiting for your therapist to escort you to your private treatment room, we invite you to help yourself to complimentary beverages and a light snack in our relaxing library.

Our focus is on customizing every treatment to your specific needs. If you are here for a massage, you select which scent of custom blended massage oil we use. We offer warm therapeutic packs and a soothing eye pillow for maximum relaxation. Our massages include a complimentary visit to a private steam shower which is infused with an aromatherapy oil

of your choice. This finishing touch ensures the release of any lingering tensions.

If a facial is part of your spa visit, our highly trained Estheticians will completely customize the treatment to address any skin concerns you may

have. We use only name brand product lines – Jan Marini, Epicuren and YonKa Paris - to ensure maximum results and an extraordinary experience.

After your treatment, our fully stocked changing and vanity areas provide the necessities to return you to the outside world.

Our World is here at the base of the Santa Cruz mountains – as an escape, a means of wellness and rejuvenation, or simply to bring yourself to a peaceful mindset. skin therapy

To ensure maximum results, our experienced Estheticians use only brand name, high-quality products and techniques to create customized services for each individual. Far beyond what is experienced at most day spas, our treatments use expert combinations of massage, exfoliation, cleansing and hydration. Many of our facials even take the extra leap to your hands and feet, moisturizing and gently massaging them while your masque or steam is taking effect. Our skin treatments really need to be experienced to be fully appreciated!

SIGNATURE FACIAL

We believe personally customizing a facial and providing a broad selection of options renders the most beneficial results. That's why we offer a choice of two professional skin care lines in our Signature Facial. Jan Marini Skin Research uses a scientifically based method of effective exfoliation and skin resurfacing to address hydration, fine lines and wrinkles. The Epicuren line utilizes a unique protein enzyme that stimulates cell metabolism to dramatically lift, tighten and firm. Both facials are amazingly luxurious throughout each step of the cleansing, exfoliation, masquing and massage processes. Your Esthetician can help recommend which would be most beneficial for your skin.

Common questions, helpful answers...

IS PARKING A PROBLEM?

When planning your arrival time, please make sure you allow ample time for traffic and parking. We have several free unlimited-time parking areas very near The Spa, and there are also parking spaces behind our building dedicated to Spa patrons only. Directions and maps (including parking areas) are available on our website.

WHY SHOULD I ARRIVE EARLY FOR MY SERVICE?

We recommend that you arrive at least 15 minutes prior to your first treatment. This not only allows you to check in, but also to take advantage of our beautiful library area where you can sit and enjoy complimentary light refreshments as you relax and unwind prior to your service. Arriving late for your service will deprive you of valuable treatment time.

WHAT SHOULD I BRING?

Because robes, slippers and towels are provided, you need not bring any special clothing for your spa service. We provide you with blow dryers, brushes and other products in the lounges if you'd like to utilize them instead of bringing your own, but you may want to bring your favorite make-up and curling iron.

WHAT WILL I DO WITH MY PERSONAL BELONGINGS?

The Spa provides you with a personal locker and key. We do regret that we can-

not be responsible for lost or stolen items, so it might be best if you left your valuables at home to ensure their security – especially jewelry, as we will ask you to remove it before any spa service.

WHAT DO I WEAR DURING MY SERVICE?

Most people will undress completely for facial, massage and body therapy treatments. If you prefer, you can wear undergarments. Proper and conservative draping techniques are always observed during our treatments and robes are provided for all our guests to use during their time here.

WHAT SHOULD I TELL MY THERAPIST?

Disclosing any medical conditions or prescription medication you are using before your service begins is very important. Allergies, pregnancy, high blood pressure, etc. may be affected by certain services. Communication with your therapist is encouraged. For example, if the pressure of your massage is too light or too deep, let your therapist know. You should also let them know if you want them to focus on or avoid certain areas (such as ticklish or sore spots). Feel free to voice any questions or concerns; treatment time is your time.

CAN I REQUEST A MALE OR FEMALE THERAPIST?

Our staff wants you to be as comfortable as possible during your services. If you have a preference as to gender, please indicate at the time of your booking. We will do our very best to accommodate you based on availability.

WHAT IF I'M PREGNANT?

Pregnant women in their first trimester and women with a high-risk pregnancy should avoid many types of treatments at spas. If you are pregnant, be sure to tell the Spa Hostess your current status when booking any appointments. They will know which treatments are suitable and which are not. Always check with your obstetrician before going to any day spa.

HOW DO I DEAL WITH GRATUITIES?

Gratuities are always appreciated! Unfortunately, we are unable to accept them on credit cards, so it's best to be prepared with cash or a check. Typically, when you receive a gift certificate, the gratuity is not included. Gratuity envelopes are available at the front desk at the time of check out for your convenience and should not be dealt with in the treatment room.

Welcome to Our World...

Enjoy our abundant amenities and warm, inviting atmosphere. Shown above, our ladies lounge area offers plenty of room to relax and the necessities to prepare for your return to the outside world.

We have unique items you will want for yourself or as a gift for a special person.

RESERVATIONS

To ensure that you obtain the appointments you desire, please make reservations at least two weeks in advance (four weeks for week-ends). A credit card guarantee is required at time of booking.

CANCELLATION POLICIES & FEES

We require a 24-hour cancellation notice or a 50% cancellation fee will be charged. No-shows will be charged full price. Scheduling an appointment is your acceptance of these policies. All services need a credit card to guarantee a reservation, so please have a Visa or MasterCard ready when booking. All clients must provide a credit card number at the time of booking, including those with gift cards. You will not be billed unless there is a cancellation or no-show. Upon checkout, guests choose their method of payment.

GROUP BOOKINGS

For parties of four people booking two or more services each, or groups of five plus, please contact our Group Coordinator for group booking policies and availability. Exclusive use of the Spa is available; please inquire for fees and available dates.

CELL PHONES

Please respect the sanctuary we provide and turn your cell phone off upon arrival.

After a visit to The Spa~Los Gatos, you won't feel the same. You'll emerge more refreshed, centered and balanced. We make every attempt to maximize your experience, so please take a moment to look over our guidelines, or call us at (408) 354-5901 for an answer to a specific question. We look forward to having you as our guest.
